## THE LETTER AND SPIRIT OF THE LAW

The \_\_\_\_\_ of the Law is the \_\_\_\_\_ of the law. It is very plain and generic and direct and straightforward... and kind of cold.

The \_\_\_\_\_ of the Law is the \_\_\_\_\_ of the law. It tells us why we are to do the things that the letter of the law commands us to do. It's the *intention* of the law.

The Joyful Obedience of The Saints

## SO, WHO ARE WE?

We are people called to be \_\_\_\_\_ as we \_\_\_\_\_ in certain activities that glorify Him and increase our joy—while \_\_\_\_\_ from other activities that dishonor Him and cause us pain. We are to do this by trusting in all of Scripture that is breathed out by God to make each of us complete. We are to be joyful children that adhere to both The \_\_\_\_\_ of the Law of God's Scripture; motivated by The \_\_\_\_\_ of the Law that it's founded upon.

## SO, WHO ARE WE?

We are people called to \_\_\_\_\_ as our direct and preferred course of action; no matter what occurs in life. We are to look to Jesus as the \_\_\_\_\_ of loving those who were “seemingly” unlovable. We are to be a church known for sacrificing our \_\_\_\_\_ for the greater good of gospel \_\_\_\_\_; a sweet fragrance offering to God.
