MEET PASTOR BRANDON K. RACHAL

A heartfelt message from our Lead Pastor and Elder of Redemption City Church

Yes, you can. These are three powerful words; that when put together, carry tons of meaning. I not only believe "You can," within every aspect of your life, but I know the bible agrees this is true when Jesus is at the center of it all. With God, you can do all things no matter the circumstance. I'm a living...limping example of that. Suffering from a debilitating injury since 2012, I remain on a long journey through life of recovery. But I am here to tell you with all my heart, that I have more joy today than throughout any of my yesterday's. Not because I am free from significant pain and limitations, but because God has taught me to be victorious despite them all. With Jesus...**I did.**

And with Jesus **YOU CAN.** It is my hope and prayer that you would find Redemption City Church as a safe place to heal, grow, and discover things about yourself → in Christ, that you never thought was possible. Redemption is possible. Enjoy a front row seat to this epic God story of our new church from its very first chapters. Perhaps God will lead you to help write the next pages of this book with us. Grace and Peace.

FEB 23, 2020

Redemption City Roadmap.

Your guide to all things connected to our church; from Sunday mornings and far beyond!

Redemption City Church (RCC) exists to glorify God by making disciples through gospel-centered worship, service, covenant family, and multiplication. We are resolved to **RISK** our comfort → so that we might **REACH** our city → with a message that can **RELEASE** freedom in Jesus → in order that many would experience a **REDEEMED** life in Christ; for the glory of God.

STEP 1 | THE CONVERSATION *(First Time Visitors)*

Hello there! We have a real gladness that you are with us today. We consider our service as family time; where we all get together to do a few things each week: (1) To be reminded of all that God has done for us, (2) to be challenged towards the growth God intends for us, and (3) to encourage one another...in love...as we start another week in a hectic world. Here's the one thing we want you to know: **There Are No Expectations On You.** Seriously, feel free to stand, sit...participate or not participate as you feel comfortable. There's nothing worse than being new to an environment and placed within awkward situations. We do have one ask of you though. Would you mind taking a moment to fill out our Connection Card? It simply lets us know you were here :) Finally, expect our services to run approximately 95 minutes. Thanks for hanging out with us today!

Please check out our brand new Redeem Kids Bible Club for children Grade K through 6th grade.
