

SERVICE AT A GLANCE ●

In today's sermon, Pastor Brandon talks about how our Bible came to be and why it matters for Christians both spiritually and evangelistically in their discipleship. So as we begin to take our next step towards rediscovering Christianity in a way that ushers us into a relationship with Jesus that is radically present, deeply true, and vastly satisfying, we will need to turn our attention to a conversation that many people want to have in the Church; yet often find no safe place to explore; while many others are either too disinterested or intimidated to engage with the conversation in the first place. Today, Pastor Brandon aims to help you push back against darkness and doubt that could be roadblocking you, as we prepare for future topics in this life changing series.

Lord, I Thirst for You

Lord, I thirst for You
And I long to be in Your presence
My soul will wait on You
Father draw me nearer
Draw me nearer
To the beauty of Your holiness

(X's 2)

I will wait for You, Almighty God
In the beauty of Your holiness
I will worship You, Almighty God
In the beauty of Your holiness...
